

Visit our stand **BOOTH 24-25 EANM '09 10-14 October 2009 Barcelona, Spain**
 Comecer is excited to be at the EANM '09, one of the most important moments in the calendar of the Nuclear Medicine sector.
 For the occasion we have prepared a special stand that will surprise you with multimedia effects. At the stand you will also be able to see and touch the new PET Dose that measures up to 10 Ci, the robotic dispenser Theodorico, and many other new and innovative products.
